Early Learning Roundup

Dear educators,

2023 is a wrap, but there are loads of great resources and content you can take with you into the new year!

Get started with some of last year's top picks, including:

- The popular [PBS KIDS self-paced learning course](#) on building connections with families.
- New adventures and engaging activities from [Wild Kratts](#).

Then, [check out our latest blog](#) to see what's new from PBS KIDS, including an early literacy movie special.

Finally, join us at the [Garden & Landscape Expo](#) next month for the Wonder, Explore, and Learn Family Activity Table!

Happy exploring!

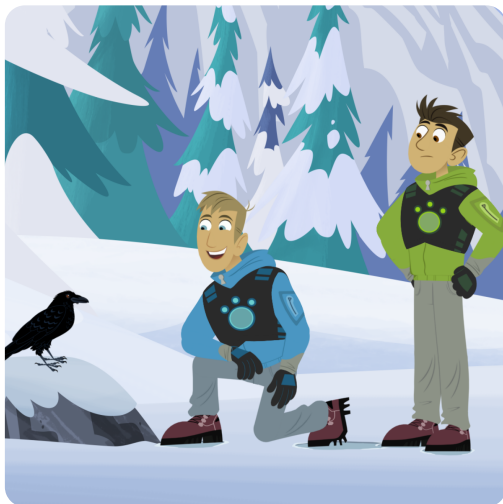

Your partner in early learning,
Tawny Morrison
Education Communications Specialist

Connecting with families

Take the most popular [PBS KIDS self-paced learning course](#) on the Wisconsin Registry! This free course is worth two credits and explores strategies for enhancing communication with families. Don't need credit? You can still take the course for free on [PBS LearningMedia](#).

Spark curiosity with Wild Kratts

[Wild Kratts](#) debuted a new season in 2023, and the series continues to be a favorite among PBS KIDS viewers! Teach about animal adaptations with a collection of tips, lesson plans, activities, and more from *Wild Kratts* on [PBS LearningMedia](#).

New from PBS KIDS

Head over to our [blog](#) to see what's new from PBS KIDS, including the new special [Rocket Saves the Day](#). Rocket, an adorable adventure-loving dog, and his friends discover the wonder of words! PLUS: Join Zadie, Zeke, and Malik for new playdates in the [Work It Out Wombats!](#) podcast.

Featured app: Cookie Monster's Challenge

Brain-building games

[Ten mini-games](#) help players practice school readiness skills like focus, memory, following directions, and problem-solving.

Build a cookie-making contraption

[As players beat levels](#) they earn pieces of a hilarious cookie-making machine they can use to decorate and deliver the cookies they've earned to Cookie Monster.
