Our Favorite Ways to Spark Winter Wonder

Dear Educators,

Is the lack of daylight making you blue? Is the winter weather keeping you indoors more than usual? January can be tough!

We've got you. Keep the winter blahs at bay with activities and resources to spark playful learning no matter what the season throws your way.

- Stay cozy with stories and adventures from *Super Why!*
- Embrace the season with help from [*Elinor Wonders Why*](#)
- Explore winter (and dream about spring!) with a new *Weather Hunters* game
- Get ready for February with professional learning focused on the science of kindness

Happy exploring!

Wonder with *Elinor*

Even when it's gray outside, there's a lot going on around us! Grab these printable science notebooks from *Elinor Wonders Why* to inspire kiddos to use their senses as they explore what's around them and record their observations. What can they see, hear, and feel?

NEW: Weather Explorer

In Wisconsin, we know how weather can affect how we travel! Kids can learn about the impacts of weather conditions - no icy roads needed! In the new PBS KIDS game, *Weather Explorer*, join Lily Hunter as she navigates obstacles changed by various weather conditions.

The science of kindness

Watch this free Sesame Workshop webinar to learn *why* kindness is so important and strategies to cultivate kindness in children, families, and ourselves using Sesame Workshop's emotional well-being resources. Early care providers can earn one hour of credit through the Wisconsin Registry.
